Dedication Message

... because as a teacher, advisor, and friend, you have inspired, guided, and understood us, the 1972 Rocket staff affectionately dedicates this issue to you,

Mrs. Charlotte McDaniel

A Typical Day At CHS Begins With . . .

The long bus ride blahs . . .

As the day wears on, it becomes
a constant struggle for survival . . .

teacher brutality

taking the lunch roll . . . and . . .

being late for class because
you just couldn't get every-
thing said in five minutes!

unbearable study halls, and . . .

the hot lunch program!

By mid-afternoon everyone's spirits
are boosted ...

by pep rallies ...

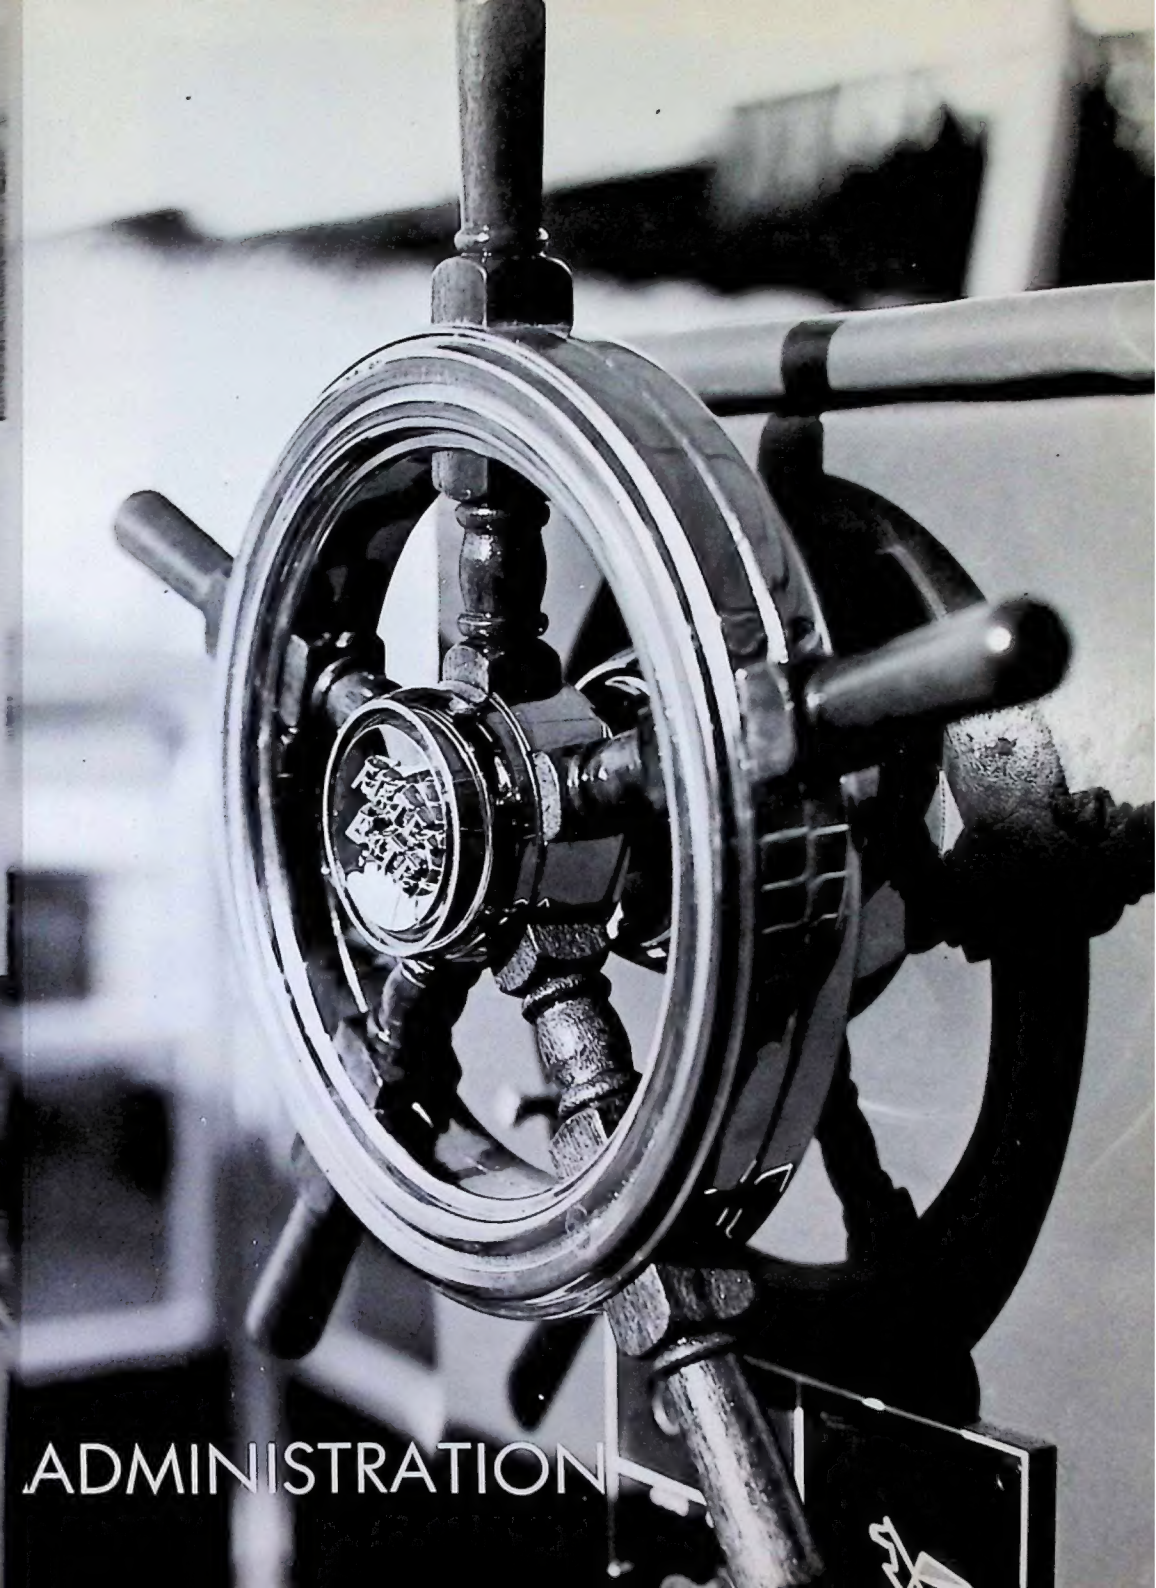

pre-game excitement, and ...

the thoughts of going home.

ADMINISTRATION

Superintendent's Message

I would like to convey my sincere congratulations and good wishes to you, the graduating seniors of 1972. You have been an asset to the school in promoting good will and in helping Clarksburg School to progress in its educational efforts. You shall be especially remembered for your interest in and leadership of the Christmas-giving program. It is my wish for you to take these attitudes with you and use them for the remainder of your life.

Mr. Billy M. Crum

Principal's Message

Seniors of 1972, I have certainly enjoyed this first year as your Principal. You have been a cooperative and mature group of young men and women with whom to work.

Upon graduation, each of you will face new and challenging experiences, and will be confronted with new problems. Your attitude, determination, and self-discipline will determine whether or not you are successful in conquering these new challenges. These challenges and the manner in which you meet them will determine your success or failure in life.

"Oh, my goodness, a sit-in!"

Right on, brother!

ELEMENTARY

We at C.H.S. are proud of our progressive school system. A good example of our changing scene is our new non-graded elementary school. We are aware of the fact that progress is seldom achieved without change.
